4 I think have proposed a Demonstrator on 100 Rs in ordinary circumstances, but we have an applicant who has taken the M A degree in Chemistry and has had a year's post graduate training in the Indian Institute of Science. He has some pressing claims also, it is said, for employment in the State Service I think that he may be employed on Rs 150 a month"

6 Probably the Principal was not aware of Mr Sankar rao Badami's candidature Both the men are well qualified If Sankara rao Badami is appointed there will be 2 Chemistry Masters in the college, whereas I in that view that arrangement would be preferable to appointing Mr Srinivasa Rao as Asst Professor & appointing a BA as demonstrator in his place

Sankara Rao is not willing to accept a Demonstrator's place on 100Rs which I offered to him. He has had practical training for 2 years after passing the M.A. Exs in the Institute of Science I am not sure whether it would be proper to set aside the D.A's recommendation & prefer him to M.A Srinivasa Rao as Asstt Professor. The latter besides being Demonstrator, has recently passed the M.A Exs in the 2nd class. Please submit to Dewan for orders. I shall also-
